

## Technical Requirements

Wireless lavalier or head set microphone.

Minimum 10' screen off to either side of the platform

LCD projector

- » Sharon brings her own MAC laptop with the adapter to easily plug into any projector. She also brings her own presentation slide remote. Each presentation is custom produced to meet the needs of your event attendee, so we are not able to provide this in advance.

Large riser with lots of walking space

Small table and bottled water on stage left

- » Sharon moves around the stage and into the audience. Production, lighting and camera crews (if applicable) should be informed and prepared in advance.

## Book Signing Requirements

- » Sharon's books are available at a significant discount when provided as gifts or purchased on behalf of attendees. Sharon will agree to a book signing / photo shoot for your attendees following her presentation.

Minimum 6' rectangle table with table covering and skirt

Chair

Floor space 3' x 3' for promotional banner Sharon will bring
